The screenshot displays a web application for tent rentals. The main content area features a large image of a tent, a 'Tent (130 sqft)' section with a 'Free wifi' icon, a 'Description' section, and an 'Offered Amenities' section. A sidebar on the right contains a 'Description' section, a 'Check-in time' field, a 'Check-out time' field, and a 'Book Now' button. A cookie consent overlay from Stripe is visible, offering a 10% discount for accepting cookies. The browser's developer tools are open, showing the 'Application' tab with a list of cookies and the 'Console' tab showing a log message.
